

BEZWIJKMECHANISMEN EUROCODE 2 DEEL 4 → H7

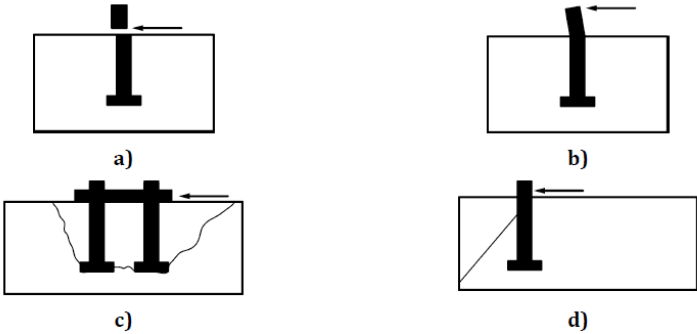

Trek

- Key**
- a) steel failure
 - b) concrete cone failure
 - c) pull-out failure
 - d) combined pull-out and concrete failure of bonded fasteners
 - e) concrete splitting failure
 - f) concrete blow-out failure

Figure 7.1 — Failure modes of headed or post-installed fasteners under tension load

Afschuiving

- Key**
- a) steel failure without lever arm
 - b) steel failure with lever arm
 - c) concrete pry-out failure
 - d) concrete edge failure

Figure 7.9 — Failure modes of headed and post-installed fasteners under shear load
