ADD USER

Click "Add User"

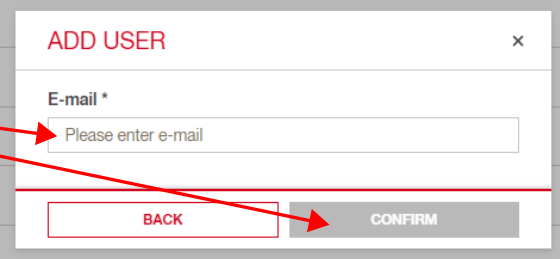

Choose if you want to add one user or multiple users.

The screenshot shows a dialog box titled "ADD USERS" with a close button (X) in the top right corner. Below the title, the text reads "Do you want to add one or multiple users?". There are two radio button options: "Single user" (which is selected) and "Multiple users (max. 500)". At the bottom of the dialog, there are two buttons: "CANCEL" and "CONTINUE". A red arrow points from the "CONTINUE" button to the text "Click 'Continue'" below it.

Click "Continue"

Enter email address of user and click "confirm".

The screenshot shows a dialog box titled "ADD USER" with a close button (X) in the top right corner. Below the title, there is a label "E-mail *" followed by a text input field containing the placeholder text "Please enter e-mail". At the bottom of the dialog, there are two buttons: "BACK" and "CONFIRM". Two red arrows point from the text "Enter email address of user and click 'confirm'." to the input field and the "CONFIRM" button.
